Utah FOP Endorses Derek Brown for Utah Attorney General

The Utah Fraternal Order of Police is proud to endorse Derek Brown for Attorney General of Utah in the upcoming general election.

Derek's commitment to law enforcement and the values we uphold is evident in his actions and dedication to our community. While we initially endorsed another candidate during the primary election, Derek demonstrated remarkable integrity and professionalism by reaching out to us after securing his primary victory. He took the time to meet with us, listen to our concerns, and outline his vision for collaboration between the Attorney General's Office and law enforcement agencies across the state.

His willingness to engage with us, despite not having our primary endorsement, speaks volumes about his character and dedication to serving all Utahns. Derek understands the importance of building strong partnerships with law enforcement to enhance public safety and ensure justice for all.

We believe that Derek Brown is the right choice for Attorney General, and we are confident that he will work tirelessly to uphold the law, protect our communities, and support the men and women in uniform. We wholeheartedly endorse his candidacy and urge our members and the citizens of Utah to vote for Derek Brown this November.
